Foreword

The 1942 RACONTEUR can hope to arrest only for a moment the life of the Morehead State Teachers College; however, a purpose will have been achieved, if in future years, the publication aids in recalling that moment undistorted by time.

In Memoriam

H. H. RAMEY

"We live in deeds, not years; in thoughts, not breaths."

President's Message

WILLIAM H. VAUGHN, A. B., A. M., Ph. D.

It gives me great pleasure to give this final message to the Class of 1942. For four years now you have been in this College. These have been four eventful years for you. Each individual has changed much during this period, for education is essentially a process of growth.

The quality of your education depends upon the extent to which your intellectual, moral, physical and social growth has been harmonious and beautiful. Any education that neglects the development of any side of the nature of the individual is faulty and it is our hope that ample opportunities have been provided for you to grow harmoniously and beautifully while you were in college. We hope, however, that you will not think for a moment that your education is complete. To consider that you are educated now means that you are through growing, and it is our hope that your growth and education have only begun, and that through the years, the beginnings of your education which took place here, shall be projected into a rich and full life of adulthood.

Henry Van Dyke once wrote:

Four things a man must learn to do
If he would make his record true:
To think without confusion clearly;
To love his fellowmen sincerely;
To act from honest motive purely;
To trust in God and Heaven securely.

Your Alma Mater fervently hopes that you have learned well the four lessons so beautifully set forth by Van Dyke.

Dedication

"The proper study of mankind is man."

RUSSELL F. TERRELL, A. B., A. M., Ph. D.

A gentleman, a scholar, and a successful teacher

Dedication

"And gladly wolde he lerne, and gladly teche."

LINUS A. FAIR, A. B., A. M.

A gentleman, a scholar, and a successful teacher

Dean's Message

WARREN C. LAPPIN, A. B., A. M., Ph. D.

The purpose back of all education is growth; growth of the student as an individual and as a cooperating, self-sustaining member of the social order.

At no level of the educational system is this phenomenon of individual development more strikingly illustrated than during college years. Successive steps taken by the freshmen, sophomores, juniors, and seniors picture in a clear manner the development of personalities from the uncertainty of immaturity to the decisiveness of preparation to meet the problems of an adult world.

At this particular time in the world's history the need for maximum individual growth is emphasized as never before. The world needs intelligence applied to the solution of its problems. The actual war effort and the solution of post-war conditions will require the clearest of clear thinking. College experience, designed as it is to guide the learner through a series of experiences progressively more complex, should contribute materially to the student's ability to participate in the affairs of the society in which he is to live.

Continuous growth of the individual is the hope of humanity. The years spent in securing a college education constitute a material contribution to this growth progress.

Class of '45

The Class of '45 made itself known on the Morehead Campus on September 22, registration day, and from that day it has carved a recognized place in the curriculum and life of the Morehead State Teachers College. The next day, seventy-three boys and ninety-eight girls experienced, for the first time, a class in college. The surroundings, people, requirements, and responsibilities were strange, but strangest of all was getting used to being "Miss" or "Mr." At last, college was a reality.

For the first month or two, we accepted, without a question, the title of "green freshmen." We were green through fear of being out of place, of being homesick, and through the excitement of being free and "on our own." Receptions and parties helped us get acquainted with the other students and the faculty, and college seemed a little more like home.

Air raids, staged in the cafeteria, marked a never-to-be-forgotten "hell week." Guidance programs offset the disillusion of the ones initiated, and we started college work seriously.

Early in the second semester, the following class officers were elected: Bobby Hogge, President; Mack Crutcher, Vice-President; Wayne "Squirrel" Gibson, Secretary-Treasurer; Leah Schwartz, Chairman, Program Committee; and Earl King Senff, Sponsor.

Class of '44

Just take any old dictionary and look up the word "sophomore" and what do you find? You find that a sophomore is "one next above a freshman." We can stand that, but it is what comes next that hurts. By looking very close, we find that the word "sophomore" comes from the Greek word sophos (wise) and moros (fool, foolish). Well, that just goes to show that we have everything from "three point" students to beautiful girls.

We always seem to be on the go—to class, to town, to the show, and out to—well, anyway, we will not let the upper classmen get ahead of us.

We started out the year by electing Buddy Judd, President; Fred Bayer, Vice-President; Helen Coughlin, Secretary; and last, but very important, Fred Johnson, Sergeant-at-Arms.

The Sophomore Class is represented in every activity on the campus—football, basketball, band, choir, honor roll, "courting," married life, and—let's see—oh yes, at the bridge tables. During "hell week," we kept things roaring, even though we were doubled over most of the time. We helped our country by training the freshmen for army battles, and now it looks as if "Uncle Sam" is going to need our help again.

Class of '43

We, the Juniors, have survived three years of long assignments, boresome lectures, and uncomprehensive laboratory periods. We have stayed up late at night—playing bridge, and we have studied hard—cramming for tests. Many of us have been drafted during this year; others have gone into defense work; yet the Class of '43 remains to continue this process called education.

Every extra-curricular activity numbers us among its participants. Clubs, athletics, publications, and committees include representatives of the Class.

We have survived the traditional Sophomore Slump, and we are ready to start the final round of the battle for broader intellectual and social life. We have labored long and burned the midnight oil, and we feel that we are at last prepared to replace those who this year sit for the last time in assigned chapel seats.

Class of '42

Four years at college have meant much to us. Regardless of how little we have achieved in the way of honors, our lives have been greatly influenced. On the whole, that influence has been for the best. We have made more acquaintances, and, as a result of these contacts, we have been able to evaluate our lives in terms of the lives of other people.

During these four years, our minds have been more highly developed, and our attitude toward life in general has become more tolerant. Some of us have not achieved as much as others, and a small percentage of us have kept our minds somewhat closed to education; notwithstanding, the members of the Class of '42 will prove that this period in their lives was not wasted.

We look on the future with a certain amount of awe, but we do not doubt our ability to cope with the situations that will arise in a post-war period; however, we have a vague feeling that we would rather be starting in college than beginning a career. We believe that we can make a success in life, and when we are put to that test, we will not fail the trust our College has placed in us.

Board of Regents

Final authority for the administration of the Morehead State Teachers College is vested in a Board of Regents, composed of five members. The State Superintendent of Public Instruction is ex-officio chairman of the Board. There are four appointed members who serve with the State Superintendent on the Board of Regents.

Dr. John W. Brooker, Frankfort, Kentucky, Chairman of the Board, is a graduate of Georgetown College, the University of Michigan, and has done graduate work at the University of Kentucky and Peabody College. Dr. Brooker has served as Superintendent of Schools, Cynthiana, Kentucky, and as Director of School Building Service in the Department of Education at Frankfort.

Mrs. Allie W. Young has been a member of our Board of Regents since 1936. Her period of service has extended over a great many years and testifies to her efficiency and value to the Board. She is a widow of the late Senator Allie W. Young.

Honorable Donald H. Putnam, Ashland, Kentucky, is a prominent insurance man and business man of Eastern Kentucky. He served for many years on the Board of Education of the Ashland Public Schools. The Putnam Junior High School at Ashland is named in his honor. Mr. Putnam has been a member of our Board since 1937.

Honorable E. E. Shannon is State Treasurer. He is another appointed member of our Board of Regents. He previously served as Auditor of Public Accounts of Kentucky. In that capacity, he had the opportunity to study the financial problems connected with the College. Mr. Shannon is a prominent banker and business man of Louisa. He brings to the Board a rich and ripe experience in business affairs and in successful human relationships. He has been a member of our Board since 1938.

Honorable Harry LaViers, Paintsville, Kentucky, is the newest member of the Board of Regents. He was appointed in February, 1942, to complete the unexpired term of the late H. H. Ramey. Mr. LaViers is a prominent business man of Eastern Kentucky, and is well known throughout the State. He is president of the Princess Elkhorn Coal Company; the Big Sandy Coal Operators Association; and the Paintsville Wholesale Grocery. He is a graduate of the Ohio State University College of Engineering. He comes to the Board well-equipped to meet the problems of the College.

The Mu Phi Club was organized the second semester in 1939. The aim of the organization is to give the students who are interested in mathematics and physics an opportunity to meet and to discuss the problems in these two fields.

Membership in this Club is extended only to those students who show interest in the field of mathematics and physics.

The Club meets twice each month. At these meetings, interesting programs are presented by the different students and the faculty sponsor. A social hour follows each program. This hour has proven profitable to both students and faculty.

The Quill & Quair Club is composed of students interested in creative writing and literary discussion. Regular meetings are held in which book reviews are given, and discussions of student writings are held.

The Quill & Quair magazine is published three times a year, and it is edited by students chosen by the club. A section of the February issue is devoted to compositions by high school students. Issue editors for the 1941-42 school year were Garnet Kane, Jack Miller, and Marjorie Cox.

The Kappa Mu, Commerce Club, was founded three years ago under the direction of Professor R. W. Jennings, head of the Commerce Department. The club is the third oldest on the campus and has as its objective the correlating of social activities with programs of commercial interest.

Guest speakers at banquets, trips to various business houses in some of the larger nearby cities, and other social activities are examples of what the Kappa Mu has done in its brief history.

The Beaux Arts Club is composed of students interested in promoting art appreciation on the campus and giving students an opportunity to participate in art activities. Membership is limited to students who are accepted as pledges by vote of the club, and who meet club requirements during a probationary period. Formal initiation of new members is held once each semester. It is the policy of the club that members maintain a high scholastic standing.

The Beaux Arts Club meets twice monthly for programs of art study and for social recreation. Projects of the club include an annual trip to the Cincinnati Art Museum, bringing art programs to the campus, and making art objects for sale to finance the expenses of the organization.

In the fall of 1933, the Beta Zeta Club was organized for the purpose of promoting interest in various phases of the Biological Sciences. The Club is composed of students who have had at least twelve hours of biology and have maintained a standing of one. The activities of the year have included the publication of the Beta Zeta Bulletin, the presentation of programs concerning various phases of biology, and the continuation of the collecting and preserving of the flora and fauna of Rowan and the surrounding counties.

The Agriculture Club was formed in the fall of 1940. It now has twenty-one members. The aim of the Club is to do something that will not be only profitable to the College but also make the members more capable of becoming better citizens.

The projects this year included the making of the plans and assisting in the landscaping of the home management house, the landscaping and decorating of some of the homes in Morehead and the making of Christmas wreaths as last year. Several native shrubs have been taken from the hills and transplanted on the Campus by the Club.

The Agriculture Club, together with the Industrial Arts Club, landscaped the grounds of the Science Building last year.

Top Row: Jack Bartram, Carlos McGlone, Emerson Wheeler, Henry C. Haggan, Quentin L. Pidcock, Leonard Smith.

Future Teachers of America

Morehead Chapter

The Morehead Chapter of The Future Teachers of America was organized by Dr. Frank B. Miller, sponsor, at the request of President Vaughan. A National Charter was granted the Morehead Chapter on December 5, 1940.

The Morehead Chapter was the largest of six in the state of Kentucky in the school year 1940-1941. This school year it has been placed on the F. T. A. Victory Honor Roll.

All names of members of F. T. A., in addition to the year of expected graduation, are carried in an annual Yearbook. Certificates of Merit are earned in various projects affording training in the arts of leadership. These certificates are granted during the month of May to graduating seniors who have earned the requisite merit points.

The Morehead group has been an enthusiastic and determined organization from its very inception. A F. T. A. Pledge is required of every newly initiated member.

"The F. T. A. groups are practice schools voluntarily established by the students themselves as training grounds for professional and civic action. Their purpose is to give to every prospective teacher the power that comes from experience in working with others on significant professional and civic projects, looking toward active participation in the great state and national education associations that give leadership to the causes of education in America."

Campus Club

The Campus Club was organized in the fall of 1933 by a group of upper-classmen who felt the need for an organization to promote leadership and fellowship on the campus. The Club is proud of the fact that early in its history the late Senator Allie W. Young, who is looked upon as father of the college, accepted honorary membership in its ranks.

The Club's raison d'être is to foster activities which will promote the best interests of the school. In line with this policy, the Club has, during its history, established the Hawg Rifle tradition, been largely responsible for a bigger and better athletic program, publicized the college, and aided materially in improving the social activities on the campus. The Annual Campus Club Spring Dance is one of the highlights of the season.

Projects this year have included a Defense Stamp sale and the erection of a placard on which are placed the names of all club men who enter the armed services of the Nation.

The Club has always been open to male upper-classmen who have shown leadership, promoted school spirit, and excelled in some extra-curricular activity.

The Trail Blazer, a student newspaper, published weekly, intends to present a cross section of student opinion and to offer news of interest to students and alumni.

LaRue Warner was named editor in 1941 to succeed Charles Thomas. Francis T. Proctor was appointed managing editor. William Emmett Bradley was made sponsor of the Trail Blazer and chairman of the Publications Committee which consists of Naomi Claypool and Chiles Van Antwerp.

At the fall meeting of the Kentucky Intercollegiate Press Association, the Trail Blazer won first prize on news and sports, second on features, and third on cartoons.

Every student with journalistic ability is encouraged to write for the Trail Blazer. Awards of money and pins are made each year for outstanding stories.

College Band

MARVIN E. GEORGE, Director

LIONEL LYON, President

KATHRYN DAMERON, Librarian, First Semester

ROBERT SHARPE, Librarian, Second Semester

The Band has been particularly active this year. In addition to its well-performed exhibitions during the football season, it has given several spring concerts and has assumed the responsibility of helping to cheer each group of draftees sent into service from Rowan County.

The general instrumentation and playing ability have been considerably improved, and the activities of the Band have been a distinct pleasure to its own members as well as to the public. The Band has played and enjoyed more music this year than in any other year of its history.

The Band has also enjoyed several social activities, including the First Annual Band Formal, which was held as a part of the Tranksgiving Day festivities on the Campus.

Clarinets: Coughlin, Haney, Simmons, Lappin, Young, Webb, Martin, Fair, Wheeler, Treadway, Holtzclaw, Miller, Antonini, Wesley.

Flute: Haggan.

Bassoon: Banks.

Saxophone: Abrams, Frye, O. Lyon, Skaggs.

Cornet: Sharpe, Nye, Inman, Owens, Stewart, Wheeler, Todd.

French Horn: L. Lyon, Sickafus, Crosley, Schwartz.

Baritone: Huffman, Blair.

Trombone: Dameron, Coffelt, Conkling, Jackson, Whitt.

Bass: B. Black, Rice, B. Banks, L. Banks.

Percussion: J. G. Black, Judd, Fannin, Rawlings, Waters.

College Choir

LEWIS HENRY HORTON, Director

Continuing the high standard of previous years, the College Choir has reached a new standard of perfection this year. For eleven years, Lewis Henry Horton has directed the activities of this group, leading them to new appreciations of the best in choral literature.

A feature of the work again this year has been participation in the weekly devotional chapel programs. The group has also been heard in several delightful chapel programs, of which the most outstanding was the presentation, on Citizenship Day, of "Ballad for Americans" by Earl Robinson. The group also played an important part in the activities of National Music Week and the Commencement programs.

The chorus was heard last summer in two programs over a coast to coast hook-up of the Mutual Broadcasting System. The chorus has now been heard over all three of the major national networks.

First Soprano: Louise Antonini, Kay Hopson, Mary Jane Beattie, Helen Crosley.

Second Soprano: Jean Fields, Lavina Waters, Elizabeth Blair.

Altos: Athalen Lawson, Vera Rae Webb, Leah Schwartz.

First Tenor: Keith Huffman, Keisker Heinrich, Forest Skaggs.

Second Tenor: Horace Owens, Edgar Conkling.

Baritones: Bill Black, Charles Sickafus.

Bass: Ollie Lyon, James Blair.

College String Ensemble

The College string ensemble has been quite active this year filling the ever increasing demand for chamber music. The organization has worked with Mr. Horton on a cooperative basis and has enjoyed a very successful year.

Members of the group this year are:

Violins: Edgar Conkling, Alice Patrick

Viola: Louise Antonini

Cello: Keith Huffman

Bass: Richard Coffelt

Piano: Keisker Heinrich

This group has appeared before local clubs and school organizations; accompanied the E. K. E. A. High School Chorus in Ashland last fall; and was heard in the chapel recital in February.

Niwatori

OFFICERS

MAE FRANCES	President
BETTY KIRK	Vice-President
EDITH LITTLE	Secretary
MABEL TACKETT	Treasurer
EXER ROBINSON	Sponsor

The Niwatori Club was organized in September, 1931. It is composed of girls who live in Allie Young Hall. Since its organization, it has been one of the most active clubs on the Campus.

Niwatori has as its main purpose the development of initiative and leadership in its membership. The object of the Club is to make life on the campus more attractive and more pleasant.

CHARLES SMITH—Co-Captains—PAUL ADAMS

The Eagles, their wings clipped by the draft and injuries to crucial players, had a mediocre season against the strongest lineup of opponents a Blue and Gold team has yet met.

Facing such tough opposition as Eastern, Western, and Marshall, the Eagles won three against four losses, and outscored their opponents in season's totals. Most of the defeats may be laid to the lack of reserves. Although backfield men were in abundance, the line was weakened by injuries, including the loss of Ruchinskas due to a broken hand suffered in pre-season practice.

The strong showing made by the freshmen team, both as substitutes and against the Marshall yearlings, promises well for next year, barring the draft and a repetition of this year's injury streak.

SCHEDULE

MOREHEAD	0	WESTERN	14
MOREHEAD	26	DAVIS-ELKINS	6
MOREHEAD	104	RIO GRANDE	0
MOREHEAD	13	MURRAY	16
MOREHEAD	12	CONCORD	6
MOREHEAD	7	MARSHALL	28
MOREHEAD	13	EASTERN	33

COLUMBUS NORRIS, Guard

"Buster" is another veteran whose graduation will hurt the team. For four years he has bulwarked the center of the line, being awarded All-KIAC in 1940.

JAMES CAUDILL, End

Known in the past as a fine defensive player, Jim proved himself on the offensive this year. His were the arms that hauled down passes for many of the Eagles' touchdowns.

LARRY WORKMAN, Back

Larry is a real triple threat. An accurate passer, hard driving runner, and good kicker, he was a sparkplug in the Blue and Gold's offense.

CHARLES SMITH, Tackle

Charlie has been one of the most under-rated men on the team. For three years he was one of the line's mainstays. Co-captain during the season, he will be a hard man to replace.

BILL MACK, Tackle

Although Bill was not a regular tackle this season, he proved a tough, capable man in every game he played. The Eagles are losing a good man when Bill joins the Navy.

RICHARD DOUGHERTY, Tackle

"Feets" is the fastest lineman on the squad and carries a lot of beef. When aroused he has often smashed through the opposing line and stopped plays in the backfield.

FRANK SETEAR, Back

"Lefty" is another of Morehead's host of fine backs. He can run, punt, and throw a bullet pass. This Connecticut import demonstrated his ability well although he was not a regular.

VINCENT ZACHEM, Tackle

"Moose" was one of the outstanding defensive players of the season. His heads-up defensive work stopped many a touchdown run, and his blocking paved the way for Eagle gains. He richly deserved his berth on the All-KIAC team.

ALCEDO WALTER, Guard

"Red" is the surprise man of the squad. Although he had never played a game of football prior to entering Morehead, he has developed into a tough, capable lineman with plenty of endurance.

ED FARRELL, End

Hampered by a shoulder injury, Ed didn't play much this season. Every minute he was in, however, he played the hard fighting game we have come to expect of him. The team will miss his rugged line play next season.

GEORGE WIGGINS, Back

Fast, elusive, smart, "Shorty" is a fine little ball-player. Put in as a "spot" player, his shifty running and tight defensive play often proved his worth to the team.

TONY SALVATO, Fullback

Tony, the "plowing Pennsylvanian," is a good man for steady gains. Hard, driving, fast, and shifty, he was one of the best men in the Morehead backfield.

RAY JUSTICE, Back

No one who has seen it will forget the beautifully deadly blocking of "Two Gun." His ability to lay 'em flat combined with his equally brilliant defensive play tagged him as one of Johnson's best men.

MARION VANHOOSE, End

A new man on the team, "Hoose" proved his value this season. His ability to dope out enemy plays and catch passes marked him one of the better ends wearing the Blue and Gold.

CARL HOWERTON, Halfback

A speed merchant from "way back," "Corky" was a constant threat whenever he had the ball. His running was especially helpful in the Concord win.

STEVE SZEGEDI, End

A smashing tackler and vicious blocker, "Pysti" has messed up opponent's plays around his end of the line for three years. Eagle followers will long remember his driving play and fighting spirit.

JEFF REIDINGER, Center

"Big Jeff" is another of the "Seven Mules" who stopped so many opponent's charges. Next year's line will feel his loss.

VINCENT GANDOLFI, Tackle

Vince is one of the seven reasons why so many enemy thrusts through the line failed. While not flashy, he is a tough, dependable ball-player.

Basketball

Potentially one of the greatest squads ever to wear the Blue and Gold, the Eagles had a season marked by flashes of brilliance. Inability to make foul shots accounted for almost half the defeats. After a win over Rio Grande and losses to the powerful Xavier University and Cincinnati University teams, Morehead, playing a championship brand of ball, won eight of the next nine games. Western was beaten in an overtime thriller; Eastern thrashed by almost 20 points; Mexico, Centre, Wilmington, Wichita, Cedarville, and Morris-Harvey followed in defeat. The lone setback was by Marshall on its home floor. The one-point margin was the closest the Green had been to defeat at home in three years. After this loss, the Eagles dropped five straight games—Western, Eastern, Berea, and two to Murray. Regaining their early-season stride, the Eagles closed the season with three successive victories. Wilmington fell by an impressive 70-46 score; Rio Grande followed; and Marshall went down in defeat, 43-40.

In the opening round of the K. I. A. C. tourney at Richmond, the Eagles dropped a close one to Eastern, a team which they had beaten during the season.

The Eagles received an invitation to the National Intercollegiate tournament at Kansas City, but lost to the tournament's favorite in their first game.

The Eagles scored over 1,000 points during the season to gain state honors, while Earl Duncan racked up 392 points to pace the team.

BUDDY JUDD
FORWARD

A good shot and clever ball handler, Buddy showed up well in his first year of varsity ball. He should be even more valuable to future Blue and Gold Teams.

MARVIN PENIX
FORWARD

This tall rangy boy from Salyersville is looking better every game. Strong on rebounds and defense, he can become one of Morehead's best with a little more seasoning.

ROBERT HOGGE
GUARD

A fast ball handler and a cool player, Bobby has played well as a freshman. His worth to the team should increase in the future.

WARREN COOPER
FORWARD

Warren is a former All-State high school player from Brooksville. One of the smoothest players ever to appear on the local floor, he should be a mainstay again next year.

MAX BRAND
CENTER

Max, a giant freshman from Paintsville, has done good work in his first season. A fine rebound man, good shot, and a boy with lots of fight, he will bear watching in the future.

WALTER HAMBRICK
GUARD

"Ham" is practically Duncan's twin. He also hails from Oxford, Ky., where they played together, and plays a consistently good brand of ball.

GEORGE WIGGINS
GUARD

"Shorty" has overcome the handicap of height by his sharpshooting from midcourt and his leechlike defensive play. He has proved his worth as a "spot" player.

FRED JOHNSON
GUARD

Big, fast, and an excellent long shot, Fred is potentially one of the best players on the squad. If he really "opens" up next season, he should be a man to watch.

CARL HOWERTON
CENTER

"Corky" plays a smart, hard-driving brand of ball. A ball-hawking defense man and a good long shot, he is noted for his hard-driving trips.

JACK DUMFORD
FORWARD

A man who never seemed equal to his potentialities, Jack has nevertheless proved a valuable player. When the chips were down, his accurate shooting and fast floor play often spelled the difference between victory and defeat.

EARL DUNCAN
CENTER

Earl, one of the highest scoring players in Kentucky, is kingpin of the Eagles' offense. He has steadily become a better, more rounded player, and should have his best season next year.

LARRY WORKMAN
MANAGER

Larry is the West Virginia manager of an all-Kentucky squad. Calm at the most trying moments, he never fails to come through with that all-important (water) bucket at the crucial moment.

This year, for the fourth time, Morehead State Teachers College was represented in the publication, "Who's Who Among Students in American Universities and Colleges." Fourteen men and women from the Senior and Junior classes were chosen by a faculty committee as worthy of having their names listed in this book.

These students were chosen because they have shown themselves to be outstanding in leadership, social life, athletics, religion, student Government, character, scholarship, and have exhibited potentialities for development into useful citizens.

Miss Kathryn Dameron is not pictured with the group.

PROGRESS MARCHES ON

When Morehead was little more than a settlement—when automobiles are unheard of—when education in Eastern Kentucky consisted of one-room schools, no colleges and few high schools, the C. E. BISHOP DRUG COMPANY was serving the needs of a community.

Today, Morehead represents one of Kentucky's fastest growing cities. Opportunities here are unlimited. Morehead has kept pace. The C. E. BISHOP DRUG COMPANY likewise has grown and now services this community's drug needs with the best products available in keeping with the most modern methods.

IMMORTALS OF THE LOST CAUSE

Mural Painting in
BATTLE ABBEY, RICHMOND

In this great picture, General Lee is shown on Traveller, the horse who was his faithful friend and companion during the War and the years following.

General Lee is surrounded by his officers and brothers-in-arms. At the extreme left of the picture are Generals J. B. Hood, Wade Hampton, R. S. Ewell, and John B. Gordon. The tall man on horseback, looking in the direction in which Fitzhugh Lee is pointing, is Stonewall Jackson, whom Lee called his "right arm." A. P. Hill stands beside the tree. General Lee, scanning the field of battle, is the center of the group, dominating the picture.

Following on to the right, the man with the field glasses, beside Traveller is General Longstreet. The three horsemen next, are Generals Joseph Johnson, Pickett and Beauregard. Standing by his horse at the extreme right is General J. E. B. Stuart, the dashing cavalry chieftain of the Confederate Army.

Sincere Good Wishes

To the graduating class of Morehead State Teachers College. May your Dreams of Success come true and happiness abide with you as you take your places in the affairs of life.

To the classes that follow you may new inspiration come to them because of your accomplishments and the advice and help of the faculty.

To the faculty may you "know what happiness is because you have done good work."
